

How to organize a cheap city break

Are you looking for a cheap city break? Do you want to visit popular cities on a short trip, but on a budget? Check out our ways to travel cheaply – [Deals](#) and City Break Packages on eSky!

Here are some tips on how to organize a cheap city break. The first advice is for travellers who want to find an attractive flight offer on their own in the [Deals](#) tab, and then find accommodation. The second option is intended for travellers who prefer more prepared solutions: City Break Package, in which they will find flight and accommodation in one offer. Importantly, you can adjust the packages to your own needs thanks to special filters.

Option 1: find a deal and buy accommodation separately

When planning a cheap trip, start with cheap flights. How to find cheap flights? You can find the most attractive flight offers on cheap flights in the [Deals](#) tab. You can choose your destination and check the lowest flight prices in the calendar. If the offers presented are still too high, you can set a price alert. Thanks to this, we will be able to inform you about available flight tickets as soon as they appear in the selected price range.

If you do not have specific preferences related to your destination, and just want to take a break from everyday life, you can check the offers prepared by us. This way you can check the destinations that are available at attractive prices and at the time that is perfect for you.

Option 2: buy a city break package

Do you want to organize a cheap city break, but you don't have time to find the most attractive flight and accommodation offers? We have the perfect solution for you! You can use the City Break tab to find your package and purchase your flight and accommodation in

one booking. All you need to do is select the flight direction, dates and length of stay. City Break Packages are offers where you can find a combination of flight and accommodation in one place. However, you can customize the packages according to your needs and preferences. This way you will not only save money, but also your time!
