
Do I have to pay additional fees when collecting the car?

At cars.esky.com, we present the best possible prices for car rentals. In some cases, however, it may happen that you will have to pay additional fees at the rental agency when picking up the vehicle.

All possible additional fees will be specified during booking and on the reservation voucher. Most often they concern:

- fees related to the location of the collection, for e.g. airport fees charged by the airport due to the use of the airport space,
- fees related to the additional equipment of the car for winter conditions,
- fees for additional equipment ordered, for e.g. GPS navigation, child seats, roof rack, etc.
